SCHEDULING ORDER ON SUPPLEMENTAL *IN LIMINE* MOTIONS

LEWIS A. KAPLAN, *District Judge*.

The government late today filed additional supplemental *in limine* motions. While the Court deeply regrets possibly interfering with the holiday weekend plans of all concerned, it has no practical alternative given the November 30 trial date. Accordingly, unless counsel can reach a written agreement resolving the open issues, defendant shall file any responses to the government's latest filings no later than 5 pm on Friday, November 26, 2021. If an agreement is reached, it shall be filed no later than that time:

SO ORDERED.

Dated: November 23, 2021
